

Support Groups for Adopted Children

***Children's Research Triangle* is offering fun and educational therapy groups for adopted school-aged boys and girls!**

Topics will include:

- **Family Tree: “Roots and Branches”**
- **Addressing Common Questions**
- **Exploring Personal Identity Issues**
- **Teaching Others about your Biological Heritage**
- **Learning about Great Adoption Resources for Kids**

We are currently recruiting for our January 2008 group! To find out more information or to make a referral, please contact Amy Groessl, at 312.726-4011 ext. 5670 or agroessl@cr-triangle.org
